Masso Antico

Rosso

ZERO ALCOHOL

Vinification:

After the harvest of Primitivo grapes in Puglia, red winemaking takes place, with maceration of the skins for 10 days during alcoholic fermentation and malolactic fermentation. After stabilization, the wine is dealcoholized using membrane technology.

Description:

On the nose, notes of red fruit such as strawberry and cherry emerge, while on the palate, it shows good structure with delicate tannins and lasting persistence.

Food Pairing:

Perfectly paired with grilled meats, pasta dishes with tomato-based sauces, and aged cheeses.
