

## MARQUETTE 2021

Georgian Hills Vineyard's vision is to provide distinct quality wines, showcasing all that Georgian Bay and Ontario has to offer.

This emerging wine region has a unique microclimate! Cooler than the Niagara Peninsula being at a more northerly latitude (45th parallel), a higher altitude +300ft above Lake Ontario with a cooler lake effect from the colder body of water of Georgian Bay.

Marquette is an exciting new winter hardy, early ripening variety that excels in the Georgian Bay region.

Marquette was recently approved by VQA Ontario.

### VARIETALS:

88% Marquette, 12% Syrah

### VINEYARD:

Marquette grown at Georgian Hills Vineyards, Beaver Valley. Syrah grown in the district of Niagara On the Lake.

### BOUQUET:

Enticing nose of fresh pressed black berries.

### PALATE:

Medium bodied with flavours of black currant, blackberries, black plums, black cherries, white pepper, spice and toasted oak with nicely balanced acidity and refined soft tannins. Worth aging!

### TECHNICAL:

12.5% alc./vol

5.3 g/L RS

25% Barrel aged in French Oak
