Our wine celebrates the mystery and influence the moon has on winemaking. Alfons Giovanetti founded Castelfeder Winery in 1969 with the firm belief that the luna nuda or “naked moon” was a time to toast with friends and family. Today, this 4th generation winemaking family commemorates his reverence for the “naked moon” with Luna Nuda, a wine that embodies the celebratory spirit of the full moon with its bright, invigorating bouquet and taste that light up the palate – Cin Cin!
