TASTING NOTES

Amplitude is made exclusively from the indigenous Gros Manseng grape variety. Vinified as a dry white wine, it offers fresh and fruity notes of great aromatic strength. The successive citrus, exotic fruit and white flower aromas are intensified by its complexity and tension. An elegant and unusual wine of great *Amplitude*.

Serve slightly chilled.

To accompany a salmon carpaccio with lime, grilled lobster, a monkfish & scallops duo, Black Gascon Pig ribs, a veal Blanquette, truffle pasta, a Reblochon or a Pyrenees' sheep milk cheese.
