TASTING NOTE:

THE ROMEO & JULIET OF REDS: *The love story.* A long time ago, two French grapes, from vastly different families, fell in love. Two made three and Cabernet Sauvignon was brought giggling into this world. With distinct family features like dark cherry, vanilla, cigar box and pure Oak DNA. This bottle of gorgeousness is made to order. Exclusively yours, et al.

VINIFICATION: The fruit was picked in the cool Western Cape mornings, helping capture and retain the concentrated flavour and aromatics of the grapes. Individual batches were cool fermented in stainless steel tanks prior to bottling.
