

2021 SOUTHERLY SHIRAZ

Southerly; the cool change that sweeps across the vineyards late on a summer afternoon. Wines that celebrate the diverse altitude, latitude, climate and ancient soils of the Adelaide Hills

2021 SEASON

Cool conditions in spring favoured excellent soil moisture, followed by a warm and steady November, absent of extreme weather events. Slow ripening conditions aided acid retention and gradual flavour development across all varieties. An exceptional vintage for the Adelaide Hills.
