

# FAMILY RESERVE BLEND 2018

wine comes from parcels # 22 and #16, which are marked by smoother slopes than others in the vineyard. The soil in these regions boasts high water retention, allowing our vines to take deep root. Combined with antique vines, these conditions allow our grapes to reach their innovative taste.

Tasting note:

Ruby color, fresh raspberry, violet and green peppercorn.  
Aroma of blackberry, red fruits with plum notes.  
Concentrated and well-balanced tannin with a delicate finish.  
Pairs perfectly with classic Chilean barbecue.
