Shelter Bay Marlborough Sauvignon Blanc 2021

At the top of New Zealand's South Island are some of the most stunning and natural vista's. Beautifully hidden amongst nature and off the beaten trail. One spot, favoured amongst our winemaking team and closely guarded favourite fishing location referred to as Shelter Bay.

Shelter Bay's vineyards lie in Marlborough's iconic Wairau Valley. Protected from the prevailing wind, the vineyards are free draining with alluvial soils and have a perfect cool maritime growing climate.

Tasting notes: Intense and powerful aromas of blackcurrants, gooseberry and passionfruit abound. The palate is full and rich with fresh juicy acidity and framed by a balanced minerality that gives the wine a long & flavoursome finish.
