

Villa Aix

Grapes Varieties: Grenache 60% Cinsault 35%
Syrah 5%

Terroir: The vineyard of this domain represent 30 hectares largely consisting of loamy clay and limestone soils. It is located near to Rognes. The domain practiced organic farming.

Vinification: Vinification based on classic rosé standards: pneumatic presses, filtration, temperature control.

Tasting: Villa Aix rosé wine is round, supple, well-balanced and harmonious. The wine has a pale pink color with hints of gray. Its nose has notes of spring flowers.

Food & Wine paring: Best served at a temperature of 8 - 10°C. This *Villa Aix rosé* will accompany perfectly tapas, fish or grilled meats. We shall also appreciate it in aperitif.
