

2022 Fireside Red

VQA Niagara Peninsula

FIELDING
ESTATE WINERY

Tasting Notes

This wine is Intense crimson red colour, and a nose filled with juicy dark fruit, plum, licorice and underlying smoky oak notes. Well-integrated tannins on this medium-bodied wine, resulting in a well-rounded and well-structured palate.

Winemaking Notes

A blend of Cabernet Franc and Cabernet Sauvignon from several vineyards in Niagara, each component of this wine was harvested on different days and fermented individually, allowing for greater complexity in the resulting wine. Barrels and tanks selected for this wine were picked for their approachability, richness and complexity. After aging together, the final blend was allowed to integrate before bottling.

Food Pairings

Enjoy it with all the classic BBQ favourites such as ribs, burgers and steak.

Varietal Composition: Cabernet Franc and Cabernet Sauvignon
