SCAPEGRACE BLACK GIN 41.6%ABV 750ml

RSP: \$59.95 LCBO Product No. 32443

The World's First Naturally Black Gin

In nature, Black is an aberration.

Existing because of what it isn't, rather than what it is.

It has no hue, but has a colour. A colour that isn't a colour in itself. Black is both a nothing made of something, and a something made of nothing.

Scapegrace Black Gin is only possible because nature itself led the way through an infinite maze of botanicals and technique. A maze with only one exit.

Aronia Berry, Saffron, Pineapple, Butterfly Pea and Sweet Potato.

Blended in set amounts at precise temperatures in a defined sequence, to create something made of nothing, and nothing made of something.

This is that flavour. This is Scapegrace Black.
