

# The CLASSIC

---

## 2019 COONAWARRA CABERNET SAUVIGNON

### Colour

Dark crimson with mauve edge.

### Aroma

Initially ripe plum and blackberry conserve, then star anise, mint and bramble. Great presence and complexity.

### Palate

Well structured palate of rich ripe grape tannins supported and elaborated with french oak framework. Cassis and plum, cigar box and cocoa.

### Food matching

Classically styled Cabernet, is well suited to a classic match of scotch fillet or grilled mushrooms.

### Cellaring

This wine is offering great vibrancy and freshness now, but will also develop beautifully with age for the next 10 years and beyond.

### Wine Summary

Cabernet Sauvignon is Coonawarra's pre-eminent grape variety. Parcels of premium fruit are selected, fermented and then aged in French oak barrels to produce this full bodied and richly flavoured wine.

### Winemakers

Shannon Sutherland  
Lewis White

### Technical Data

Alc 15%v/v  
pH 3.5  
TA 6.3g/L  
VA 0.7g/L  
RS 0.5g/L

### Accolades

*"In the mouth the wine is ultra-concentrated, firm and structured. This pays homage to both the variety and the region."*
