

# Eau Claire Distillery Presents

## CHRISTMAS GIN

### The Ultimate holiday Gin!

This special seasonal gin is flavoured with Frankincense and Myrrh – two of the three wise men gifts. Our newly redesigned holiday spirit now includes 24k edible gold!

The ancient spices of Frankincense and Myrrh were viewed as both priceless and flavourful, while gold was cherished for it's symbol of royalty and value. Eau Claire Distillery decided to make their traditional London-style Gin with Frankincense and Myrrh, finishing off the spirit with flakes of 24k gold for a special take on a wintry snowglobe scene.

Specially formulated for the holiday season, ancient spice resins give the gin a beautiful mouthfeel with a hint of a lemony, balsamic taste. Eau Claire Distillery presents you with a gift fit for a king, our exclusive Christmas Gin.
