

Long Weekend Cabernet 2022

VQA Niagara Peninsula

FIELDING

ESTATE WINERY

Tasting Notes

This Cabernet is a medium-bodied, rich red wine with flavours of black cherry, raspberry and dark chocolate. Round and structured on the palate.

Winemaking Notes

Select vineyard plots from sites throughout Niagara are selected for this wine, a fruit-driven blend of Cabernet Franc and Cabernet Sauvignon. After aging in oak for a short period to help the wine gain complexity and integrate flavours on the palate, the wine is blended and bottled. Each vintage has its own personality, captured in the grapes (and resulting wine) that we craft. Enjoy!
