#### Tasting Notes:

An elegant and fruit forward Bordeaux style blend. Aromas of perfumed red berry fruit including raspberry, blackberry and cherry mingled with savoury oak notes of caramel, toast and cedar. These aromatics carry over to the palate, along with candied plum, blueberry and strawberry jam flavour. The palate is softly textured, with moderate tannin and delicate acidity. Drinking 2022 – 2026.

#### Winemaker Notes:

A blend of 50% Merlot, 26% Cabernet Sauvignon, and 24% Cabernet Sauvignon. Grapes were harvested from select vineyards in the Niagara Peninsula. The fruit came in clean with good flavour concentration and an average brix of 22.5°. Grapes were crushed and fermented in separate lots in stainless steel tanks and one tonne fermenter bins. The wine was then racked into new and seasoned French oak barrels for 19 months prior to blending. 1556 cases were bottled August 22, 2022.

The Tragically Hip are proud to release their 7th vintage of the limited edition "Fully Completely Grand Reserve Red"

The Fully Completely Reserve Red was originally created to commemorate the Hip's announcement of the re-release of their legendary album Fully Completely. The inaugural vintage was co-created by band members Gord Downie, Paul Langlois, Rob Baker, Gord Sinclair, and Johnny Fay in conjunction with the Stoney Ridge Winemaking team. We continue this tradition of producing an iconic Canadian red each vintage under winemaker Jeff Innes.

The wine is a premium blend of Cabernet Franc, Cabernet Sauvignon and Merlot from the 2019 vintage. The bottle once again features an exact replication of the original artwork that first appeared on the Fully Completely album cover.
