

2021 Red Sky at Night Rosè

The 2021 Red Sky at Night Rosè lures you in with its eye-catching colour and intrigues your palate with every sip. Using our estate-grown Merlot, the fruit was handpicked at the optimal time, then cold soaked on the skins for 16 hours before being pressed off. This allows the juice to retain a vibrant red hue and is bursting with intense, ripe flavours. A cool, temperature controlled, stainless steel fermentation is then utilized to preserve vivid aromatics and refreshing acidity to help craft this off-dry, balanced wine that is sure to please.

Our bright and fruity estate-grown Rosè is the perfect accompaniment to the end of the day in any location. Its palate opens with flavours of fresh-picked berries and ends with a lush mouthfeel; just what you need for a relaxing time with your CREW. Enjoy with veggie skewers, salmon and a variety of soft cheeses.
